Questions and Comments

Hymn: **You Can Get It - Jimmy Cliff, Singalong** (insert)

Extinguishing the Chalice:

As the Flame of resolution passes from our Chalice into our hearts, **Nelson Mandela** says to us: **“Like slavery and Apartheid, poverty is not natural. It is man-made and it can be overcome. Millions of people... are trapped in the prison of poverty. It is time to set them free. Sometimes it falls upon a generation to be great. You can be that great generation”**
