Prelude

Welcome

Opening Words: **The night you were born, I ceased being my father's boy and became my son's father. That night, I began a new life.**

Chalice Lighting:

We light this chalice in tribute to the mother and father in each of us.

We light this chalice to celebrate those women and men who have taken on the task of raising a baby into childhood, youth and adulthood.

To celebrate those who have nourished the light of truth and compassion in growing minds and hearts.

To celebrate those who have committed time, money, energy to the children of this world.

We light this chalice to celebrate and hold dear this flame of love. *Claudene (Deane) Olivia*
