Prelude

Welcome

Chalice Lighting:

As the chalice is lit let us come together into the sacred space we have created.

**Let the cares of the day fall away and know that here is a place for quiet reflection,
for a pause in our lives, for breathing into our true selves.**

Let what is said and felt here add richness to the dimensions of our lives and spiritual practices.

We are strong together in community.

We share the experience of being human.

Let the warmth of the chalice lit during our time together

connect us and carry us into the world.

Extinguishing the Chalice:

**Knowing how quickly the flame of truth may be extinguished,
How easily the chalice of fellowship broken,
Let us be vigilant in faith,
Keep peace in our hearts,
And make care for one another
The watchword of our lives together
So our light goes out-
Everywhere-
Into the world.**
