**Prelude:**

**Welcome & Announcements:**

**Opening Words:    #441    **To Worship****

To worship is to stand in awe under a heaven of stars,  
before a flower, a leaf in sunlight, or a grain of sand.

To worship is to be silent,  
Receptive, before a tree astir with the wind, or the passing  
shadow of a cloud.

To worship is to work with dedication and with skill;  
It is to pause from work and listen to a strain of music.  
To worship is to sing with the singing beauty of the earth;  
It is to listen through a storm to the still small voice within.

Worship is a loneliness seeking communion;

It is a thirsty land crying out for rain.

Worship is kindred fire within our hearts;  
It moves through deeds of kindness and through acts of love.  
Worship is the mystery within us reaching out to the mystery  
beyond.

It is an inarticulate silence yearning to speak;  
It is the window of the moment open to the sky of the eternal.

Jacob Trapp
