Chalice Lighting:

We kindle this light in the centre of our circle.
May it symbolise the light and life and warmth
In the centre of our beings.
May it mirror the light of fellow Unitarians here
And around the world.

Closing Words:

And now we take our leave.

Before we gather here again—
may each of us bring happiness into another's life;
may we each be surprised by the gifts that surround us;
may each of us be enlivened by constant curiosity—
And may we remain together in spirit
til the hour we meet again.

-Barbara Cheatham

Extinguishing the Chalice:

We extinguish the chalice here that it might glow gently in
our hearts. May it light your path as you leave this place.
May it guide your way until we are together again.

-Martha Munson
