Announcements

Opening Words: *Daniel Budd*

Come, come to this place, whoever you are:

Wanderer, worshipper, lover of learning,

All seekers after what is true,

All who seek a community of compassion & diversity

Come, come to this place, whoever you are:

Though you've broken your vows a thousand times

And you're too busy and you don't have the time

Come, come to this place, whoever you are:

Lovers of wisdom, lovers of humanity, lovers of beauty,

Come to this place where a Love we do not make

Surrounds us and lifts us and nurtures us,

Come, come to this place, whoever you are:

Ours is not a community of despair, but of hope,

Not a place of judging, but of thanksgiving,

Not a place of certainty, but of searching.

Come, come to this place, whoever you are,

Come, yet again, come.

Chalice Lighting: *Rebecca Pankhurst*

This light unites us.

This light unites us with our neighbors,

Our friends and our enemies.

Most importantly,

This light unites us within ourselves.

Our hearts,

Our souls,

Our spirits.

This light unites us
