Prelude

Welcome

Opening Words: **#416**
For the beauty of the earth,
this spinning blue green ball, yes!
Gaia, mother of everything
we walk gently across your back
to come together again
in this place
to remember how we can live
to remember who we are
to create how we will be.
Gaia, our home,
the lap in which we live –
welcome us.

Help us to be the always hopeful
