Welcome

Opening Words **#417**

Chalice Lighting:

**As the first hint of green begins to peak through
the barren ground
As that little sprig grows into a healthy stem
As that stem grows into a stalk and forms a bud
As that bud slowly opens with each new day
To form a yellow daffodil
Let us be, like that first hint of green, renewed
by the warm of the sun's rays
And ready to emerge with a new energy, ready
to face the day.
We light this chalice to bring a glimmer of
that warmth into our space.**

Jennifer McGlothin
