Prelude

Welcome: **Life is something like a trumpet. If you don't put anything in it, you don't get anything out. And that's the truth.**

W. C. Handy

Chalice Lighting: *By Katie Gelfand*

We call forth the life of our faith by igniting our chalice. This spark of new beginnings invites us into a sacred space to reflect where we have been and where we are going. Even knowing that this particular flame will intentionally end with our ritual extinguishing, we fear not its end...

**For we know, with brave hearts,
that from every ending of our lives,
We are sent forth to make a new beginning.**
