Opening Words

Introit and Chalice Lighting:

Come and find the quiet centre in the crowded life we lead,

Find the room for hope to enter, find the frame where we are freed:

Clear the chaos and the clutter, clear our eyes that we can see

All the things that really matter, be at peace, and simply be.

(Chalice is lit)

In the Spirit let us travel, open to each other's pain,

Let our loves and fears unravel, celebrate the space we gain:

There's a place for deepest dreaming, there's a time for heart to care,

In the Spirit's lively scheming there is always room to spare!

**Whatsoever things are true,
whatsoever things are honorable,
whatsoever things are just,
whatsoever things are pure,
whatsoever things are lovely,
whatsoever things are of good

it there be any virtue,
and if there be any praise,
think of these things.**
